NAVAL BATTLE IS DESCRIBED

Austrian Squadron Sails Into
Harbor at Durazzo Full
Speed and Opens Fire.

ATTACK BOATS

Italian Warships Arrive and
Begin Vigorous Bombard-
ment—Two Austrian
Destroyers Are Sunk.

Rome, Jan. 6, 9:20 p. m.—The cen-
sorship having been lifted tonight, it
is now possible to give details of the
naval engagement off Durazzo, Alban-
ia, on December 29 in which the Aus-
trian destroyers Triglav and Lika
were sunk. For several days an Aus-
trian aeroplane had been flying over
Durazzo making observations and oc-
casionally dropping bombs. At 7 a.
m. of the 29th an Austrian squadron
composed of five destroyers and the
cruiser Helgoland entered the har-
bor at full speed.

As the Austrian warships approach-
ed they opened a heavy fire on a
Greek steamship which had put in for
repairs to her engine. No warning
was given of the attack and the as-
sertion is made that the sailors on
board were fired upon, even after they
left the vessel and were attempting to
reach shore.

Attack Sailing Boats.
The Austrians also bombarded and
sank several Italian sailing boats and
then attacked the encampment of Ital-
ian troops. The fire was directed
poorly, however, and there were no
casualties.

An attempt was made by the Aus-
trians to land a detachment of men
with incendiary bombs to set fire to
the customs' warehouse, but an Ital-
ian battery prevented the landing.

Italian Warships Arrive.
The Italian squadron arrived and
opened fire on the Austrian warships.
The Lika, the flagship of the squad-
ron, was struck by a torpedo and sank
after her magazine had blown up.
Most of the crew of about 100, includ-
ing Commander Vincet, were drown-
ed.

The Triglav was struck and then
taken in tow by two of the other de-
stroyers. They were compelled to
abandon her outside of the harbor,
however, and she was sunk by the
pursuing Italian squadron.

COAL RATE INCREASE DENIED.
Washington, Jan. 7.—Increases of
28 cents a ton on coal from Toluca,
Illinois to points in Wisconsin, Iowa

waukee and St. Paul railway were dis-
approved today by the interstate com-
merce commission.

CLEANING PLANT IS DESTROYED BY FIRE AT NOON

The cleaning establishment of the
Pancroft club, at 480 Chester ave-
nue was virtually destroyed by fire
shortly before noon today. The fire
department made a run to the place
and managed to save the outer part
of the building, the total damage be-
ing about \$400.

According to Ed Wilson, manager of
the establishment, the blaze might
have been caused by an over-heated
pressing machine. The clothing in
the building, belonging to patrons, he
said, was all saved and would be de-
livered tomorrow.

GARDNER OPPOSES LIFTING EMBARGO

Peace Now Would Mean An-
other War—Assails Hy-
phenated Americans.

Washington, Jan. 7.—Representa-
tive Gardner, Republican, made a long
prepared speech in the house today
on the war conditions involving the
United States. He approved the ad-
ministration's stand that it would be
unneutral to embargo war munitions
and declared that a peace in Europe
now would be inconclusive and would
mean another war. He assailed the
pacifists, the hyphenated Americans
and the cotton interests.

Washington, Jan. 7.—Investigation
of foreign interference with United
States' mails on the high seas or en
route to destinations is contemplated
in a resolution introduced today by
Senator Hitchcock of Nebraska, call-
ing upon Postmaster Burleson to in-
vestigate and report on all information
in his possession bearing on the sub-
ject. The resolution was referred to
the postal committee.

THREE THOUSAND MEN ON STRIKE

Pickets at Youngstown Sheet
and Tube Company Hinder
Workmen From Enter-
ing Plant.

Youngstown, Ohio, Jan. 7.—Be-
cause of strike rioting last night and
today at the plant of the Youngstown
Sheet and Tube company in East
Youngstown, Sheriff J. C. Umstead
telegraphed to Governor Willis at Col-
umbus today to inquire whether state
troops were available in case they
were needed to preserve order. The
sheriff, however, expressed the belief
that he would not need troops to con-
trol the situation.

Governor Willis replied that he had
dispatched Brigadier General Speaks
of Columbus and Lieutenant-Colonel
Weybrecht of Alliance to Youngstown
and ordered them to have as many
companies as possible of the Ohio
National Guard ready for strike duty.

Six Thousand Men Idle.
The situation at the plant of the
Republic Iron and Steel company
where 2,500 men are on strike and
6,000 idle as a result remained un-
changed today. Last night strikers
threatened to attack the office build-
ings but were dispersed by the police.
Both plants are independent and are
not affected by the announcement
of the United States Steel corporation
that all employees would get an in-
crease in wages of ten per cent. The
management of both concerns have
offered the employees an advance of
three cents an hour from 18 1/2 to
22 1/2 cents but the strikers have re-
fused, insisting on 25 cents.

Youngstown, Ohio, Jan. 7.—Incip-
ient rioting occurred here last night
and early today in connection with
the strike at the plant of the Young-
stown Sheet and Tube company in East
Youngstown. One man was injured.
The strike forces had grown today
to 3,000. There are 9,000 employees
of the plant. Strike pickets during
the night and early today refused to
permit workmen to enter the plant.
Those who attempted it were greeted
with showers of cobblestones, bricks
and clubs.

Street cars were stopped, workmen
on board dragged off and placed on
calleys going in opposite directions and
sent away. Stones were thrown
through the car windows.

GRATEFUL PAPA

Miss Curley kept a private
school, and one morning was in-
terviewing a new pupil.
"What does your father do to
earn his living?" the teacher asked
the little girl.
"Please, mamma," was the prom-
pt reply, "he doesn't live with
us. My mamma supports me."
"Well, then," asked the teacher,
"how does your mother earn
her living?"

"Why," replied the little girl
in an artless manner, "she gets
paid for staying away from father."

Lucille, a carefully brought up
little girl of 5 years, returned
from her first party in glee. "I
was a good girl, mamma," she
announced, "and talked nice all
the time."
"Did you remember to say
something pleasant to Mrs. Apple-
by just before leaving?" her moth-
er asked.
"Oh, yes, I did," was the enthu-
siastic reply. "I smiled and said:
"I enjoyed myself very much,
Mrs. Appleby. I had lots more to
eat than I expected.""

FRIEND'S UPPERCUT HELPS THIS SINGER

Miss Anna Fitziu.

New York papers related not long
ago how two musical critics engaged
in a fist fight while discussing the
qualities of Miss Anna Fitziu's voice.
This brought Miss Fitziu into the
limelight, and now it is announced
that Gatti-Casazza, who manages
the Metropolitan Opera company,
has been converted to the way of
thinking of Miss Fitziu's fighting
friend, and has given her the role
previously played by Lucretia Bori,
the Spanish prima donna, in the
Spanish opera "Goyescas."

BASKETBALL GAME AT HIGH SCHOOL

The Davis County high school bas-
ketball team was expected to arrive
in Ogden early this evening, accom-
panied by a large crowd of "rooters,"
to open the season in a contest with
the Ogden high school team.

At the Ogden high school this morn-
ing, a special assembly was held to
promote interest in tonight's game
and Athletic Manager Harold Tripp
stated later in the day that the out-
look for a record season opening
crowd was bright. A yell and song
practice was the principal feature of
the assembly and a strong school spirit
it was manifest.

The game will begin promptly at 8
o'clock and the prospective line-up is
as follows:
L. Falck Robinson
De Young Simpson
Chambers Morgan
D. Pingree McDonald
J. Falck Swan
O. H. S. D. C. H. S.
Substitutes, Crossman and L. Pin-
gree for Ogden; Strincham for Kay-
sville. Referee Erickson.
Following the contest, the Ogden
high school band will be host at a
dancing party, the proceeds of which
will be added to the fund that is be-
ing raised at the school for the pur-
chase of new band instruments.

ceeding to form a local lodge. He is

tion within a short time.

WORLD'S MARKETS

New York, Jan. 7.—Although open-
ing prices today were mainly higher,
the market's undertone reflected a
continuance of its recent feverish con-
dition. United States Steel was again
the feature with initial sales of 1000
to over 2000 shares at \$6 1/4 to \$6
3/8, a slight gain over yesterday's
close. Some of the specialties re-
cently under pressure, including fer-
tilizer issues, showed the effects of
further liquidation. Agricultural
Chemical common and preferred yield-
ing over four points. Oil shares
moved erratically, Mexican Petroleum
rising while California Petroleum de-
clined. Rails were firm and coppers
slightly higher. General Motors de-
clined 15 to 42 1/2.

Omaha Livestock.

ceipts 13,500; higher. Heavy, \$6.70 to

easy; centrifugal, 4.33 to 4.52c; molas-
ses, 3.56 to 3.75c. Refined quiet.
Sugar futures opened quiet today
and at noon prices were about un-
changed.

Chicago Grain

Chicago, Jan. 7.—Wheat developed
weakness today, influenced by the
fact that cable advices were disap-
pointing to the bulls. According to
one exporter British dealers were of-
fering to re-sell at a substantial re-
duction as compared with last night's
offers from this side of the Atlantic.
On the other hand vessel rates from
Argentina continued to advance and
it was admitted that shipments from
Australia during January and Febru-
ary would be only moderate. Prices

"Realism to the last degree."—Press.
"Nothing could be more vivid; no wonder the
public likes Triangle photoplays."—World.

Salt Lake Tribune says in an enthusiastic review
of "The Disciple": "The producers have gotten on
the screen one of the most effective storm scenes ever
shown in Salt Lake. It is a thriller for sure and helps
the picture move rapidly to its powerful and gripping
climax. And gripping is right."

1.27 1-2 and July at \$1.19 to 1.19 1-2,
underwent a decided sag all around
before beginning to react.

Corn showed strength at first but
eased off when wheat turned down-
grade. The initial firmness of corn
was due to lightness of receipts and
to jumps in foreign quotations. Open-
ing prices here, which ranged from
1.8@1-4 to 3-8@1-4c higher, were fol-
lowed by a moderate general setback.

Oats reflected the changes in corn.
Commission houses, though seemed
to favor the buying side.
Selling from packers tended to
weaken provisions. The market was
fairly well sustained, however, by
speculative demand.
In later transactions the provision
market ruled easy in line with hog.
It was said that scarcity of feed was
causing the sacrifice of livestock to an
unusual extent.

Wheat prices closed heavy 1 1/4@
3-8 to 1 5/8c net lower with May at
\$1.25 1-4@1.25 3-8, and July at
\$1.17 5-8.
The corn close was steady at 3-8 to
1-2c net decline.

DEFERRED MESSAGES SUSPENDED BY THE WESTERN UNION

The Western Union announces that,
owing to a temporary shortage of fa-
cilities, it will be necessary to sus-
pend for a few days the handling of
trans-Atlantic deferred messages. Ev-
ery effort will be made to restore de-
ferred service and cable letters at
the earliest moment and the public
will be promptly advised as soon as
conditions permit the restoration of
these services.

The company states that the neces-
sity for this action is greatly regret-
ted, but the suspension of deferred
service by other trans-Atlantic cable
companies some days ago has result-
ed in a flood of deferred messages to
Western Union cables and, therefore,
it becomes necessary, in order to pro-
tect the company's regular
